Masters Picture Book no. 10 updated to 11th June 2017

An initiative of the Tylers and Bricklayers Company

Ald. William Russell, Sheriff

Ald. Andrew Parmley, Lord Mayor

Ald. Peter Estlin, Sheriff

## Welcome to the new 10<sup>th</sup> edition of the Masters Picture Book.

It is strange to reflect that, as recently as 2011, there was no Masters Picture Book, no Mistresses Picture Book, and no parties for Mistresses to meet the Lady Mayoress.

The Picture Book Project has been one of continuous innovation. And this still continues. Earlier this year, we introduced a third website, [www.liverycompanies.london](http://www.liverycompanies.london) to join the two well-established ones we already have.

The new site is specially designed for smartphones and tablets, and it is very easy to consult on the move. The new site shows the Master and his Mistress or Consort side-by-side. If you are off to a function, you can remind yourself of who you are going to meet. If you remember a face but can't put a name to it, it is all there at your fingertips.

We are glad to be playing a part in supporting the Lord Mayor and the Lady Mayoress, and in helping the Masters, Mistresses and Consorts of the Livery Companies to make the most of their year of office

*Piers Nicholson, Webmaster and Master, Tylers and Bricklayers Company 2011/12*

This website is kindly sponsored by The Cook and The Butler Event Company who are caterers at the City's finest venues, and are resident caterers at The Guildhall Club & HQS Wellington. "We are delighted to support the Masters Picture Book and the Mistresses and Consorts Picture Book with their associated websites - two useful guides to promote better understanding in the Masters Year."
