

The Livery Pictures Book of the Masters, Mistresses and Consorts of the Livery Companies of the City of London

January 2021

**Alderman William Russell
The Lord Mayor**

**Hilary Russell
The Lady Mayoress**

It is a pleasure to write the foreword for the 2021 Livery Pictures Book of Masters, Mistresses and Consorts.

When I wrote the forward for the last Picture Book, few could have imagined what the coming year would have contained. The last 12 months have been a challenging and unsettling time like no other, even in the long history of the Livery.

But I am so proud of how the Livery has risen to the challenge to support our communities throughout the Covid pandemic, from distributing food parcels and providing PPE to contributing IT equipment for school children and providing additional charitable funds. And while we have not been able to meet at many of our traditional events, I have enjoyed engaging with the Livery in new ways, including virtual events, online coffee mornings and regular bulletins. It is of great credit to Masters, Mistresses, Consorts and Courts that Liveries have been able to act so flexibly and effectively over the Covid pandemic.

In order to provide continuity of leadership during the pandemic, I am serving an additional year as Lord Mayor. It is the first time a Lord Mayor has served two full consecutive terms since 1861, when William Cubitt was re-elected for another year in office. I know many other liveries have made the same decision and have rolled over their Masterships for another year. So there will be a few more familiar faces in this year's edition of the Livery Pictures Book!

It will be a pleasure to work alongside the Livery Masters, Mistresses and Consorts again in 2021. Although in a "print at home" format this year, I hope readers continue to find this book an excellent reference guide.

The Lady Mayoress and I extend to you all our best wishes for 2021.

The Rt Hon the Lord Mayor, Alderman William Russell

Anne Somers
Chairman
Livery Pictures Committee

Since the last published edition of the Livery Pictures Book in November 2019, we have all been hugely affected by the Covid-19 pandemic, and although we have kept the Livery Pictures website up to date, we suspended production of the printed book for the year 2020.

As we entered this new year, we felt it was the appropriate time to put together a “print at home” version for those who like to have a hard copy record to refer to. This edition reflects all the Masters and Consorts in place in January 2021 and will be filed in the Archive section of the website www.liverypictures.com for future reference.

We work hard to ensure that www.liverypictures.com is as up to date as possible, so please do remind your next Master or Prime Warden, and their Consort, to send us their photographs before their year commences. This will ensure we can update them immediately after installation. These should be sent to info@liverypictures.com

Once again, the City Livery Club has kindly sponsored this publication. It would not be possible to produce this edition without their ongoing support, for which we are most grateful.
