**Mistresses and Consorts Picture Book no. 6**

An initiative of the Tylers and Bricklayers Company

11 June 2017

THE LADY MAYORESS

WENDY DC PARMLEY

THE MANSION HOUSE, LONDON EC4N 8BH

TELEPHONE 020-7626 2500

I am delighted to introduce this 6th edition of the Mistresses' and Consorts' Picture Book.

One of my lifelong interests has been studying how people communicate effectively. Over the past twenty-five years, I have had the privilege of being a Liveryman, the Mistress of three companies, and currently am Junior Warden of the WCIT, so I have had ample opportunity to experience how people communicate in the City of London. I have followed with much interest the development of the Mistresses' and Consorts' Picture Book since it started in the summer of 2014.

Livery Mistresses are playing a more active part in the life of the City of London than ever before, so the development of the Picture Book is very timely, and there is no doubt that it promotes more effective communication.

I am sure that the 6th edition of the Mistresses' and Consorts' Picture Book will prove of value to all of us. I shall look forward to meeting you all during the remainder of the mayoral year.
